Consultant Obstetricians are independent practitioners who undergo a rigorous process to gain admitting privileges to The Portland Hospital. This involves evaluating their background, experience and qualifications, and ensuring that they maintain a high standard of practice.

For further information on maternity care or to arrange a tour of The Portland Hospital maternity facilities, please contact our Maternity Services Advisor on **020 7390 6068** or email **info@portland.hcahealthcare.co.uk** You can also refer to the maternity pages of our website **www.theportlandhospital.com**
